

FOURTH INTERNATIONAL CONFERENCE ON CLINICAL METAGENOMICS (ICCM_g)

Campus Biotech, Geneva, October 17-18, 2019

Organized by the International Society for
Clinical Metagenomics

ICCMg4

 YAMMM

ICCMg4

- ❑ YAMMM

- ❑ Controls!

- Contamination controls (wet-lab, IT)
- Negative controls

ICCMg4

- ❑ YAMMM

- ❑ Controls!

- Contamination controls (wet-lab, IT)
- Negative controls

- ❑ New binning approaches

- Up to the strain level

ICCMg4

❑ YAMMM

❑ Controls!

- Contamination controls (wet-lab, IT)
- Negative controls

❑ New binning approaches

- Up to the strain level

❑ Anna Karenina paradigm

- Same appearance
- Different taxonomy
- Common/specific mechanisms

ICCMg4

❑ YAMMM

❑ Controls!

- Contamination controls (wet-lab, IT)
- Negative controls

❑ New binning approaches

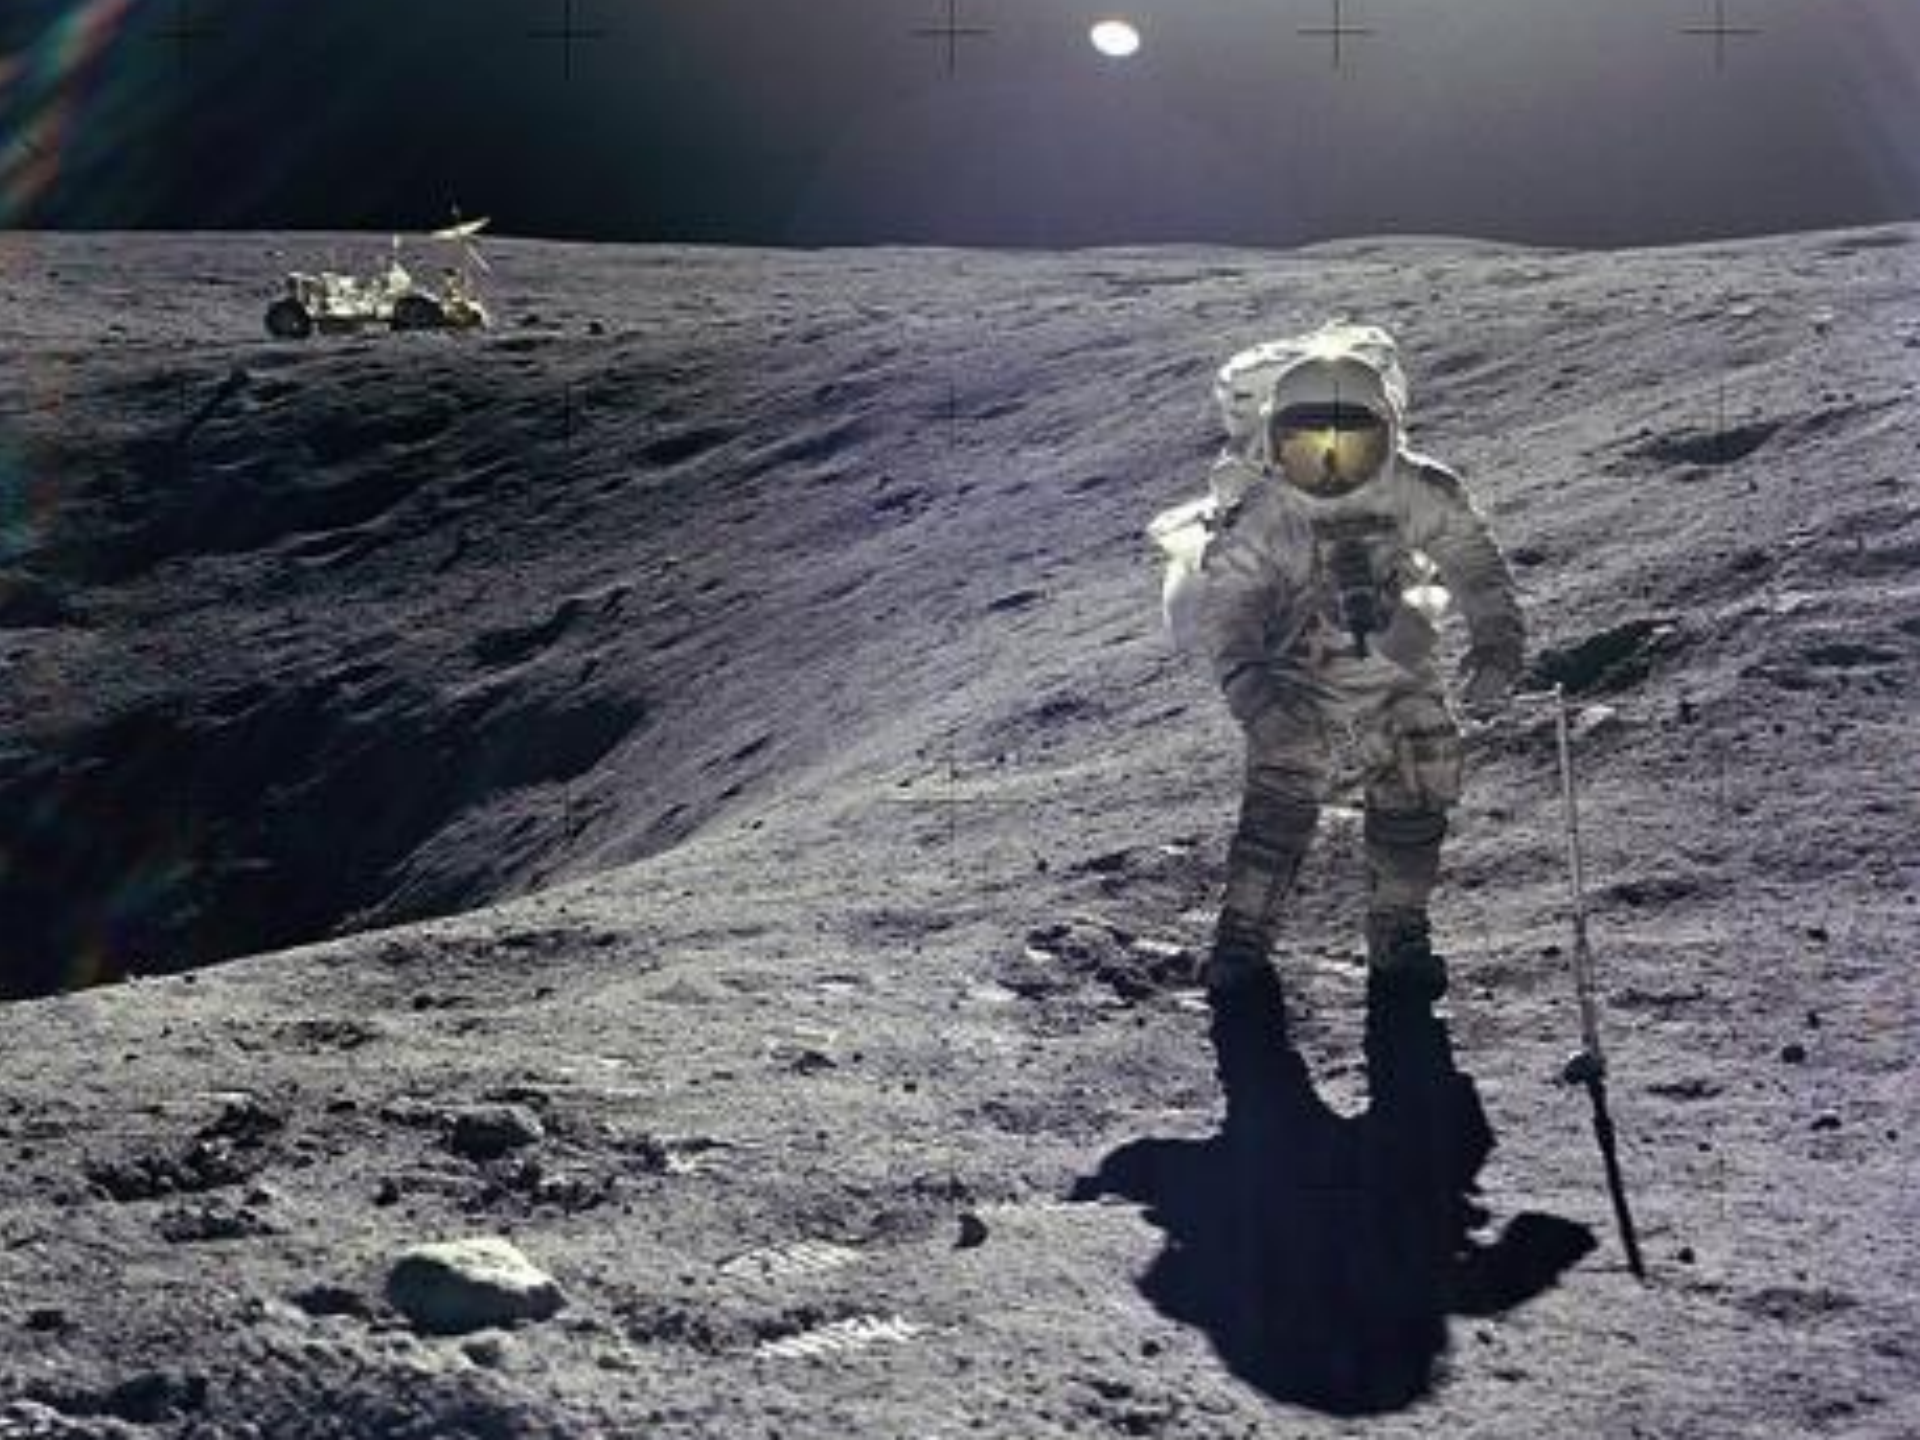

- Up to the strain level

❑ Anna Karenina paradigm

- Same appearance
- Different taxonomy
- Common/specific mechanisms

❑ Benchmarking

❑ Re-think the current situation

Does it ring a bell ?

Does it ring a bell ?

Does it ring a bell ?
